

Direct Prep 1

One Step Pretreatment

Applications

Abrade degrease, and prime new mesh for stencil making.

Characteristics

- Micro-abrasive, powerful detergent and wetting agents in one liquid product
- Does not clog mesh openings

Features

- Roughens and prepares new monofilament synthetic fabric for superior emulsion adhesion
- Dyed color ensures complete rinse from mesh
- Highly recommended for use with capillary films

Benefits

- Reduces new mesh preparation to one highly effective step
- Eliminates fisheyes and streaks in coatings
- Maximizes exposure latitude and adhesion for both emulsion and capillary film stencils
- Optimizes resolution, definition and stencil life

Directions For Use

For new monofilament synthetic mesh, apply SAATI Direct Prep 1 to both sides of a wet or dry screen. Scrub thoroughly with a stiff brush. Rinse the screen with a strong water spray to remove all traces of Direct Prep 1. Dry the clean freshly abraded screens and use immediately or store in a dust-free environment.

Health and Safety

Before using, refer to appropriate Safety Data Sheets. Contact SAATI at info.US@saati.com to request SDS.

Storage

When sealed in the original container and stored in cool conditions, SAATI chemical products will maintain their original properties for two years from the date of production.

Packaging

Available in one, five, and fifty US gallon containers.

Warranty And Limited Warranty

The directions, recommendations and specifications contained within this Technical Data Sheet are meant as a guide for the use of the product and shall not bind the company. Product specifications are subject to change without notice.

The following is made in lieu of all other express or implied warranties, including any implied warranty of merchantability or fitness for a particular purpose; All SAATI manufactured liquid products are warranted to be free of defects in materials and manufacture and to meet the specifications in SAATI Product Bulletin.

SAATI will replace or refund the price of any SAATI manufactured liquid product that does not meet this warranty within the applicable warranty period.

The remedies are exclusive. In no case shall SAATI be liable for any other direct or indirect damage or loss, including without limitation any incidental, special or consequential damages, or any material costs or labor charges incident to the removal or replacement of any mesh, screen, ink, substrate, finished graphic or other item.
