

Remove ER4

Emulsion Remover Gel

Applications

Removes all stencil types

Characteristics

- Ready to use gel reclaimer
- Easy to apply by brush

Features/Benefits

- Smooth gel that spreads easily and stays put, for maximum effectiveness
- Contains built in degreaser that cuts through any ink/solvent residue to ensure fast and efficient stencil removal

Directions for use

Apply Remove ER4 directly to emulsion with a brush after ink removal. Allow the product to dwell before reclaiming with a pressure washer in a horizontal motion starting at the bottom moving towards the top.
